Sir,

Export Trade Control --

With reference to your letter No. 387/W dated 20th July 1942, I am directed to return herewith the copy of the Postal Notification dated 12th June 1942 regarding the restrictions on foreign Post Parcels.

I have the honour to be,
Sir,
Your most obedient servant,

Secretary,
Stores Purchase Committee.

The following is notified in supersession of all previous notices on the subject.

2. All postal parcels addressed to any place outside India, with the exception of countries within the sterling area as listed in Part I of the annexure, must in future be accompanied by a certificate from an Authorised Dealer in foreign exchange to the effect either that the contents of the parcel are such that no transaction in foreign exchange is involved or that the foreign currency proceeds will be surrendered in accordance with the Reserve Bank's regulations, and their outer covers must bear the name stamp of the Authorised Dealer with his signature under the words "Certificate issued". The form of the certificate is given in Part II and the list of Authorised Dealers in Foreign Exchange in Part III of the Annexure. This procedure will be dispensed with only in the case of parcels either despatched under the orders of the Central Government, or of the Military, Naval, or Air Force authorities in India, or accompanied by a certificate signed by a Gazetted officer or by any person entitled to use service postage stamps (*vide* clause 354 of the Post and Telegraph Guide), which should be pasted on the outer cover of the parcel in the form given in Part II of the Annexure, that the despatch of the parcel does not involve a transaction in foreign exchange

3. In addition, any foreign postal parcel addressed to any country outside the sterling area the contents of which are over Rs. 50 in value except parcels of sports goods must first be produced for valuation by the customs authorities who will seal the parcel and stamp the invoice before these are presented to an Authorised Dealer in Foreign Exchange for the issue of his certificate. Parcels containing diamonds and precious and semi-precious stones which require a permit from the Export Trade Controller will be dealt with in accordance with the procedure laid down by that officer. Parcels addressed to Portuguese India, the contents of which are over Rs. 50 in value and less than Rs. 150 will be accepted by the postal authorities without calling for a certificate from an Authorised Dealer. But parcels to Portuguese India whose value is in excess of Rs. 150 will require a special certificate from the Reserve Bank to whom application should be made after valuation by the Customs.

4. For the despatch of parcels above Rs. 50 in value which contain goods covered by the Commerce Department notification No. 91-C W. (1)/42, dated the 7th February 1942, as amended from time to time *vide* Part IV of the Annexure, a licence will have to be obtained from the Export Trade Controller at the nearest port or the Government of India unless the parcel is intended for British territory or for the French or Portuguese possessions in India or the article despatched is covered by an Open General Licence issued by the Commerce Department.

Exceptions.—(1) Exports by post of all goods to any place in the French colonies or mandated territories, other than the French Establishments in India, Syria and Lebanon, French Cameroons, French Oceania (Tahiti) and French Equatorial Africa including Chad and Gabon are prohibited unless specially permitted by the Government of India in the Department of Commerce.
